### Create An Identity Chart for a Nation or Person Exercise

Instruction: In this paper, write the name of the nation (or a person/artist from a different country) in the center of a piece of paper. Then, go to the internet and gather information about the country (or person) you chose and create a trait star like the one shown below. As a group, write your thoughts about that country (or person) based on what you know today. Be ready to share your results with the class.
